## COMMISSIONERS' REPORT.

---

The Commissioners of the County of Strafford hereby submit their annual report, showing the financial condition of the County April 30, 1891, together with the reports of the Superintendent of the County Farm, Chaplain, Sheriff, Physician, Jailer, Solicitor, Treasurer, Auditors and Clerk of Supreme Court.

### FINANCIAL CONDITION OF THE COUNTY.

The report of the Treasurer will show that the ordinary expenses of the County, for the year ending April 30, 1891, were \$8,981.22 more than the preceeding year, this increase is wholly on account of supporting soldiers and paupers off the Farm. We have paid ten thousand dollars (\$10,000) four per cent. bonds due Dec. 1, 1890.

### PAUPERS OFF THE FARM.

There has been an increase in the support of this department of \$9,322.53.

### COUNTY FARM AND ALMSHOUSE.

Several improvements have been made during the year. A new wind mill has been purchased at an ex-

pense of four hundred and fifty dollars. Fifty dollars was expended for a new hay fork and rope. Sixty-five dollars for a one-horse work wagon, and forty-five dollars for a mowing machine:

Mr. and Mrs. Stiles, after three years' service, resigned, and were succeeded by Mr. and Mrs. Chas. E. Demeritt.

Respectfully submitted,

GEORGE P. DEMERITT,	}	County Commissioners.
JOHN P. ROWE,		
DWIGHT E. EDGERLY,

## CHAPLAIN'S REPORT.

---

Public religious services have been held throughout the years at the County Farm on Sunday afternoons at three o'clock. The attendance has been very good which is gratifying as it is voluntary. I have visited the infirmaries talking, praying and consulting with the sick and the aged. We have lost the valuable gratuitous services of the Misses Lutolf. Mrs. Driscoll has been of great service in the singing. A very successful Christmas festival was given Dec. 20, 1890, by a group of young ladies. The gifts were better and more numerous than in previous years; this is the tenth year these festivals have been adopted.

ITHAMAR W. BEARD, Chaplain.

J. D. O'DOHERTY, M. D.

TO THE COMMISSIONERS OF STRAFFORD COUNTY :

GENTLEMEN:—I respectfully submit this, my first, report as County Physician, for the term of seven months commencing Nov. 1 and ending May 31, 1891. Nearly all the inmates requiring attention were old and chronic cases. No epidemic has occurred at the Alms House or Asylum for the Insane, and no diseases which were due to any imperfect sanitary conditions existing at these institutions ; but one case of typhoid fever has occurred since Nov. 1 and that was a young woman who was brought to the Alms House in a hopeless con-

dition, her death occurred Nov. 6th. The inmates have received every attention necessary for their health and comfort from those in charge, and every precaution taken to prevent any contagious or infectious disease.

I would recommend that visitors to the Alms House and Asylum for the Insane be admitted on Tuesdays, Thursdays and Saturdays between the hours of 10 and 11 o'clock A. M., and 3 to 4 o'clock P. M.

There have been 12 deaths at the Alms House and four deaths at the Asylum for the Insane since Nov. 1. The date and cause will be seen by referring to the following table. Only three cases of confinement have occurred.

The following is a list of those who have died, date, age and cause of death:

NAME.	DATE.	AGE.	CAUSE.
Flemming, Nellie,	Nov. 6	21 ys	Typhoid fever.
Johnson, Bradbury M..	19	89	Apoplexy.
Varney, Phineas,	Déc. 28	82	Consumption.
Rowan, Mary,	Jan. 7	78	Heart disease.
Parsons, Martin,	17	42	Insane.
Hawkins, Hannah,	24	61	Insane (Idiotic).
Raitt, James,	Feb. 2	10 m	Meningitis.
Chase, Jane,	Mar. 2	60 ys	Apoplexy.
Laflamme, Ardelle,	17	28	Epilepsy.
Avery, William K.,	22	40	Meningitis.
Haughey, Edward,	26	72	Apoplexy.
Gale, Daniel,	26	47	Insane.
McCone, Patrick,	16	60	Heart disease.
Moses, Leonard,	Apr. 12	80	Gangrene of foot
Brown, Rhoda,	18	82	Old Age.
Howe, Hannah P.,	22	75	Insane.

Four of the above had attained the age of 80 years and three of over 70, while the youngest was but 10 months, and whose mother was insane at the time of its birth. One case of gangrene of the foot has occurred at the alms house, the patient being 80 years of age. The foot was amputated as the only possible chance of recovery. I was assisted in performing the amputation by Drs. Richmond of Dover and Downs of Rochester. The patient died three days after the operation.

Kind assistance has been rendered in the discharge of my duties by those having charge of the alms house and asylum, and by several of the inmates who have kindly cared for the sick as far as they were able. I am very grateful to all those and especially to you as Commissioners who have placed at my disposal everything to assist me in the discharge of my duties and for the comfort of those who have needed assistance.

Respectfully yours,

J. S. DANIELS, M. D.
